

THE COMBIMATE DUAL-FIT GUARANTEE

Your Combimate Dual-Fit has been manufactured to the highest standards under the ISO 9001:2000 quality assurance scheme and is covered by the manufacturer's warranty against defective materials and/or workmanship for three years from date of manufacture.

In addition:

Cistermiser Ltd. guarantee the performance of the Combimate in preventing the build-up of limescale deposits when fitted to domestic heating boilers with the offer to de-scale, *free of charge, any boiler that is protected by a Combimate and becomes scaled provided that the boiler was not contaminated prior to installation of the Combimate and that it has been regularly serviced with the correct volume of Siliphos according to the manufacturer's instructions.

*Cistermiser Ltd. reserve the right to charge for any call-out which is not related to the Combimate Dual-Fit and applies to UK Mainland only.

Our commitment – We will de-scale your boiler at no cost to you if:

- Scale contamination becomes evident within a period between 12 and 36 months from date of installation.
- The volume of Siliphos has been maintained and replaced in accordance with the recommendations.
- The lower portion of this card is completed and returned and that the serial numbers coincide.
- Installation has been carried out in accordance with the manufacturer's instructions.
- The system was not already contaminated prior to installation.
- The problem is directly associated with the Combimate.
